Description: Most Christians would agree that the Bible provides a basis for mission. But Christopher Wright boldly maintains that there is a missional basis for the Bible! The entire Bible is generated by and all about God's mission. In order to understand the Bible, we need a missional hermeneutic, an interpretive perspective in tune with this great missional...

Review: After a lecture given in 1998, Christopher J. H. Wright was approached by Anthony Billington and questioned "about the validity of using a missiological framework as a hermeneutical approach to reading the Bible. Is it possible, is it legitimate, is it helpful for Christians to read the whole Bible from the angle of mission? And what happens if they..."
